Collaborations and Resources

Maintain a robust baseline of data and grow the data

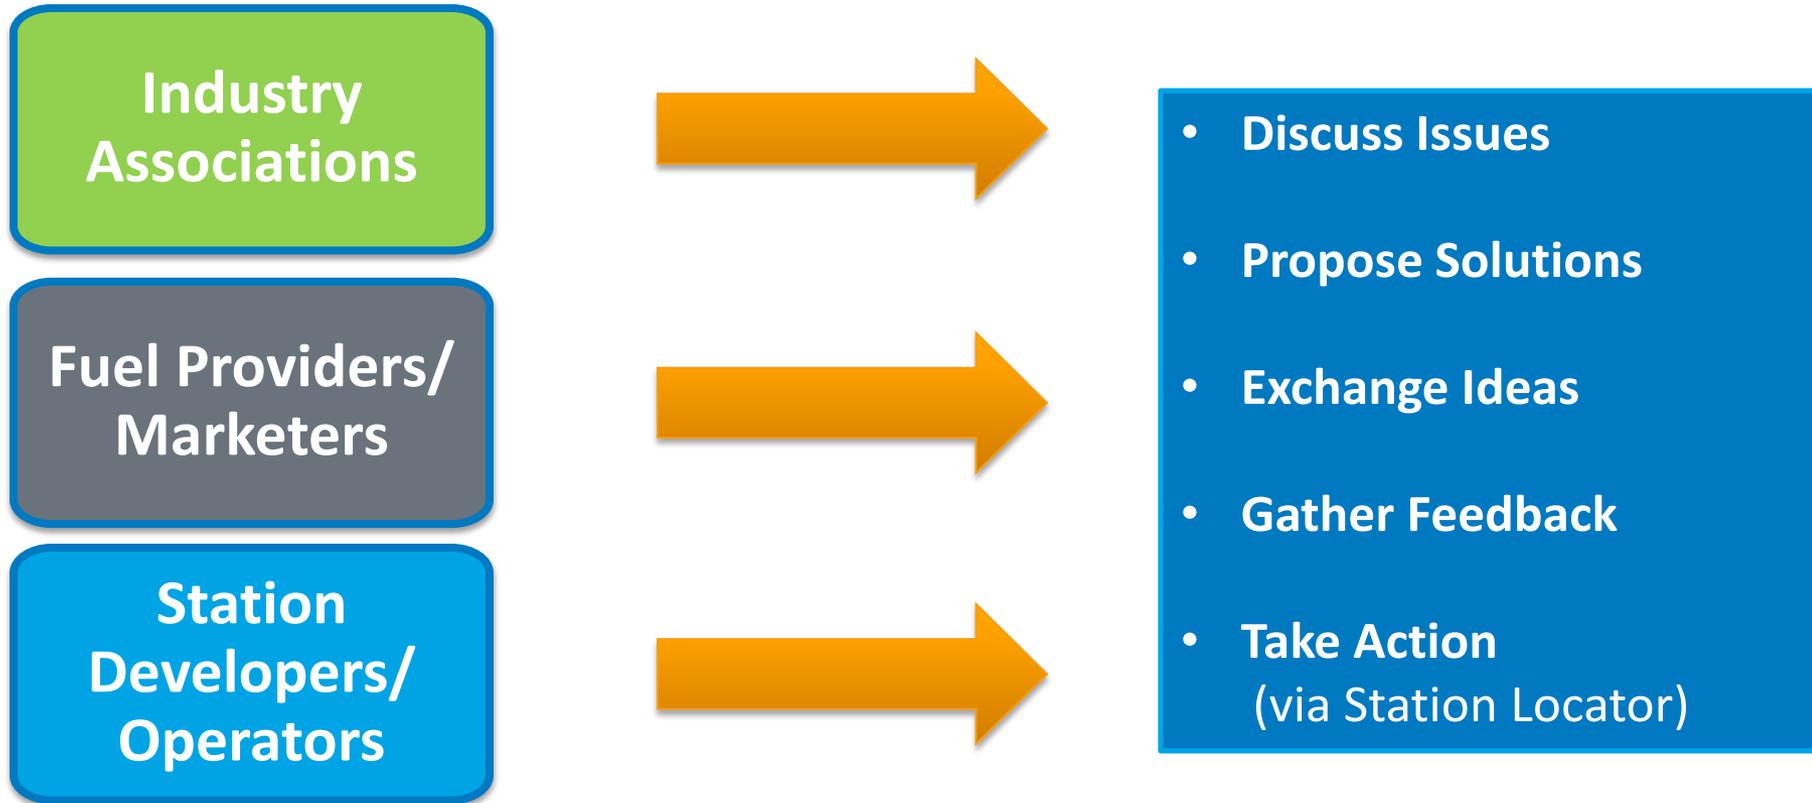

PROPANE INFRASTRUCTURE WORKING GROUP

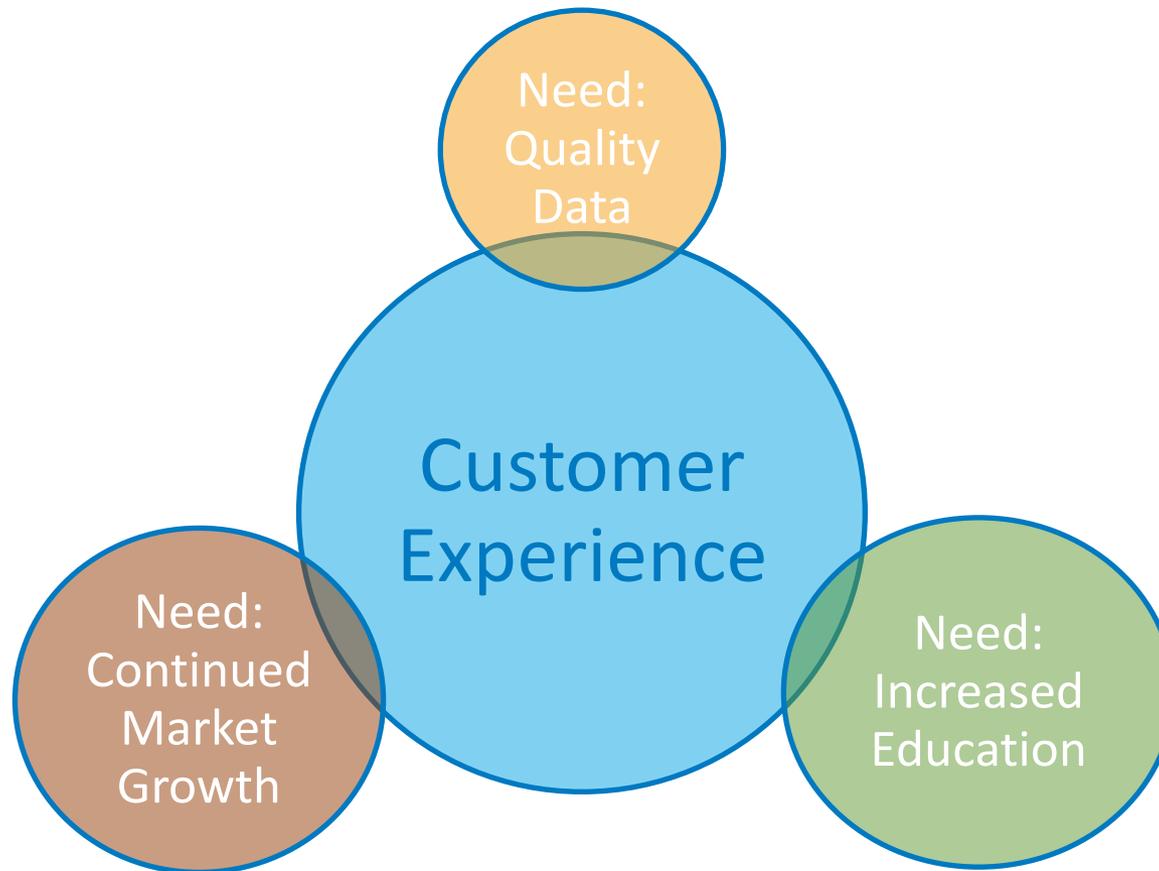

Genesis of working group idea was GeoEVSE working group and feedback from users who were unhappy with their propane fueling experience which was based on AFDC data.

NREL and ICF invited industry representatives to participate in the group. We were well positioned to identify a robust group of participants.

Industry Working Group

A Multi-Faceted Challenge

Continue to build interest in and support of propane motor fuel sales through **partnerships.**
